Directions to the Cap’n Bert, Wickford, RI

Address: 125 Steamboat Ave, Wickford (North Kingstown). See figures below for general location.

From the south/GSO: Take Rt 1A north from GSO, past the Jamestown Bridge. At the second traffic light, take a right onto Beach Rd. At the stop sign, take a left onto Steamboat Ave. Follow the street almost to the end, you will pass several gray metal buildings on the left. Turn left before the last building, and drive around to the right where there are boats on stands. Please park away from the water as to not block access to the boats in the water. The Bert is a white boat with a gray deck and black A-frame; it is fairly large (~53’) and has a URI sticker on the wheelhouse.

From the north: take Rt 1A through Wickford, and take a left at the first light after the little bridge. From there follow the directions above.

***Morning group: please be at the boat at 7:30AM! Afternoon group, at 11:45pm.

***Please be prepared for wet, windy and colder weather. It is always colder on the water. Foul weather gear and boots highly recommended. NO open-toed shoes allowed!!
Figure 1: Above, overview of Cap’n Bert location north of GSO. Below, detail view of the area proximate to the ship.
